

Minutes of Meeting

Official Record of Meeting Discussions & Decisions

CORRESPONDENCE
TYPE

What are Minutes of Meeting (MOM)?

Minutes of Meeting (MOM) is an official written record that documents the discussions, decisions, and action items agreed upon during a formal meeting. It serves as the authoritative reference for all parties and ensures accountability for follow-up actions.

Document Code:	MOM-XXXX
Meeting Title:	Name or subject of the meeting
Date & Time:	When the meeting was held
Location:	Physical venue or virtual platform
Prepared By:	Secretary / Meeting coordinator
Approved By:	Chairperson / Project Manager
Distribution:	List of all recipients

Key Elements of Minutes of Meeting
- Attendees List — Names, titles, and organisations of all participants - Agenda Items — Topics discussed in the meeting - Discussion Summary — Key points raised for each agenda item - Decisions Made — Resolutions agreed upon by attendees - Action Items Table — Task, responsible party, and due date - Next Meeting Date — If applicable - Signatures — Chairperson and secretary sign-off
