Consultant Comments:

Actions required from Contractor: -----

Correction or comments made relative to submittals during this review dose not relive the contractor from compliance with the requirements of the drawings and specifications. This check is only-for review of general conformance with the design concept of the project and general compliance with the information given in the contract documents. The contractor is responsible for confirming and correlating all quantities and dimensions, selecting fabrication process and techniques of construction; coordinating his work with that of other trades, and performing his work in a safe and satisfactory manner.
